

CORE POP-UP COMPETITION 2021

During January and March 2021, a series of six one day workshops of CORE-cooking for the future project will be held online. This leaflet contains information about:

- ✓ the purpose of these workshops
- ✓ where and when the workshops will be held
- ✓ important matters you should consider before deciding to express interest in attending a workshop
- ✓ what is required of you as a learner?

What is the purpose of the workshops?

- ✓ to learn more about the use of social media, the gastronomy of food, the sustainable development of food
- ✓ to participate in a pop-up event

Where and when will the workshops be held?

The workshops will be held in Whereby meeting room
(<https://whereby.com/core-cookingforthefuture>).

They start always at 9:00 AM (Ireland) / 10:00 (Spain) / 11:00 (Estonia and Finland).

The first workshop **Intro** is a two-hour workshop on **13.1.2021**.

Each new module is a three-hour workshop designed to introduce the modules.

- Local food, creating menu (**20.1.2021**)
- Personal branding and marketing (**27.1. 2021**)
- Plant based diet (**3.2.2021**)

- Sustainable gastronomy (**10.2.2021**)
- Traditional and professional cooking skills with modern technologies (**17.2.2021**)

Outcomes from the workshops will be added to the event itself. The pop-up competition event is going to take place in **Espoo**, Finland (**8-10.3.2021**).

What will the workshop participants be asked to do?

During the workshop, participants will be asked to engage in a range of activities such as group learning, small group discussions and exercises, sharing their experience and insights in a small and larger group. The workshops will include creative activities such as creating a professional blog, making a video, menu planning, 3D-printing etc.

What are the benefits for students who take part in a workshop?

- you will learn how to create a professional portfolio
- you will create a unique and innovative dining experience including menu development and plating
- you attend the Pop-up competition event held in Espoo, Finland

If interested in taking part, what are the next steps?

- Contact your own school's CORE project representative and let her/him know that you're interested
